CALL DRIVER SERVICES AT 303.205.5613 TO CONFIRM YOUR REQUIREMENTS

REVOCATION: Your first episode of driving with a B.A.C. of 0.08 or greater results in a 9-month revocation.

- The revocation remains in effect until you complete the reinstatement process.
- ALL Excess B.A.C. reinstatements are processed by mail. You should begin the reinstatement process approximately 1 month before you expect to reinstate.
- If you were 21 or older at the time of the violation and have no other unsatisfied license restraints, you may reinstate after only 1 month of revocation provided you install an Ignition Interlock Device (Interlock) in every vehicle you own or may drive.
- If your B.A.C. was below 0.17, you reinstate early, drive only an Interlock vehicle and do not have any B.A.C. when you drive, you may be eligible for an unrestricted license after 4 continuous months of successful driving.

REINSTATEMENT (9-month revocation): You must

1. provide an SR22 from your insurance company and maintain it for 9 months following reinstatement (3 years if you were involved in an accident);
2. complete an Alcohol Certification, Form DR2598;
3. complete an Application for Reinstatement, DR2870; and,
4. mail the SR22, the Alcohol Certification and the Application along with your personal check or money order for \$95 to the address provided on the Application.

EARLY REINSTATEMENT (1-month revocation plus 8-month Interlock): In addition to items 1-4, you must maintain the SR22 for a minimum of 3 years regardless of whether there was an accident and

5. have an Interlock installed in every vehicle you either own or may drive (call any provider for appt.);
 - include the notarized Restricted License Ignition Interlock Agreement Affidavit, DR2058, and
 - include a signed copy of each interlock lease agreement and each installation certificate.

HIGH B.A.C. OFFENDER: In addition to items 1, 3 & 4 (and 5 if you reinstate early), if your B.A.C. was 0.17 or more, whether or not you reinstate early, you must

6. enroll in and complete Level II Alcohol Education and Therapy;
 - include the Affidavit of Enrollment, DR 2643. (Omit Item 2 above.)
7. have an Interlock restricted license for at least 2 years following reinstatement.

Please allow 3 weeks for processing once you mail in your Application with ALL required documents. Once your Application is processed, you will receive a Letter of Clearance. You **MUST** then apply for a License at any Colorado Driver License Office. For further assistance, call Driver Services at 303.205.5613.

MANDATORY OR VOLUNTARY RESTRICTED LICENSES FOLLOWING ALCOHOL CONVICTION

IN ACCORDANCE WITH §42-2-132.5, C.R.S., YOU MUST NOW COMPLY WITH THE FOLLOWING:

You must apply for, and hold, a license or permit, restricted to the use of an approved ignition interlock device, for the entire period of the license restriction, even if you do not intend to drive after your privilege is restored.

You will be required to qualify for this license by passing a written and basic drive test. If your driving privilege was restored by providing an Affidavit of Non-Ownership, the basic drive test will be *postponed* until your renewal to a non-restricted license, or until you have a vehicle equipped with an approved interlock device.

If a license or permit is issued within 20 days of reinstatement:

The period of license restriction (ignition interlock) will begin on the date your privilege was restored.

If a license or permit is NOT issued within 20 days of reinstatement:

The period of license restriction (ignition interlock) will not begin until the license/permit is issued. The lease and installation forms on file will *not* be accepted for licensing and a new lease agreement and affidavit of installation will be required before any license or permit will be issued.

PLEASE BE ADVISED OF THE FOLLOWING:

During the period of license restriction (ignition interlock) you may only operate a motor vehicle equipped with an approved interlock device:

As a condition of your reinstatement you have agreed to install an interlock device in all motor vehicles you own, co-own or have access to. If you are contacted operating any other vehicle during the period of license restriction (ignition interlock), or if any interlock device is bypassed or otherwise tampered with, you will be subject to immediate revocation of driving privilege. A violation of this license restriction is a class 1 traffic misdemeanor.

If your driving privilege was restored by providing an Affidavit of Non-Ownership, and you become an owner, co-owner or otherwise have access to a vehicle, you must submit to the Department a signed lease agreement for the installation and use of an approved ignition interlock device on such vehicle(s), for a period equal to the remaining period of the restricted (ignition interlock) license.

Your period of license restriction (ignition interlock) may be extended:

Data from your interlock device will be collected and forwarded to Driver Control regularly. The Department is authorized to extend your period of license restriction if attempts to operate the vehicle following alcohol consumption are reported. Failure to comply with an extended license restriction (ignition interlock), if ordered, or termination of any lease agreement before the end of the restricted licensing period will subject your driving privilege to an indefinite suspension.

When the period of license restriction (ignition interlock) has expired:

Your restricted (ignition interlock) license will be issued to expire 20 days after the interlock requirement is over. You may apply for a non-restricted license any time after the last day of ***your interlock requirement***. Please apply for renewal to a non-restricted license (ignition interlock device no longer required) before having ignition interlock device removed from your vehicle(s).
